

CONSTITUTION AND SENDING OF THE APPLICATION FILE

1) The application file must be sent:

by email PDF format to the School's secretariat Doctoral
(edsvsae.dred@uca.fr)

For the electronic version, an acknowledgment of receipt attesting that the application has been taken into account will be returned within 24 hours.

Deadline for sending the file :

Monday June 26, 2023 at 12:00 p.m..

2) The file must include:

- 1) The summary printout on the 3rd page of this document.
- 2) A detailed CV mentioning the university course and the various training courses carried out during the course.
- 3) A motivation letter concerning the thesis subject on which the student is applying. This letter must in particular indicate how the candidate's training prepares him for a thesis on the chosen subject.
- 4) A summary of the internship thesis for the second year of the master's degree.
- 5) The written certificate of acceptance of your application from the thesis director.
- 6) An official statement of the results of the license, M1 and M2 (or equivalent diplomas).
- 7) **A certificate from the Master's supervisor or the administration specifying the missing data on the official statement of results (*only if all the data requested on the summary form are not present on the official statement of results*).**

These statements MUST include all the information requested in the summary form. If some of these data are missing, a certificate (point 7) presenting the missing data on the statement, issued by the Master's supervisor or the administration, MUST be provided.

- Candidates who defend their M2 thesis after the deadline for submitting applications cannot compete.
- Masters 2 / universities / university courses that do not rank candidates within the promotion prevent them, de facto, from applying for the competition for the award of contracts UCA doctoral students.

PLEASE file the documents in the order indicated above

and send them all in a single email

Any incomplete or late file will be automatically rejected.
